## Dedication

We, the people of the Town of Hampstead hereby dedicate  
our 1981 Town Report to Abbie E. Randall.  
Her decision to retire after 40 years of dedicated service  
as Treasurer of the Hampstead School District leaves us  
with the thought that we will miss her, but we wish her  
happy days ahead in her retirement.

## REPORT OF THE SELECTMEN

The members of the Board of Selectmen submit to the taxpayers and residents of the Town of Hampstead our report for the year 1981, which has been a very busy and productive year in many areas of town administration. We will attempt to highlight the most significant accomplishments and programs of this board.

Immediately following town meeting we appointed a Cable TV Study Committee consisting of John Cross, Charles Miller, Clayton Shaw, and Arthur Truckenbrodt. This committee has put in many long hours and presented a number of opportunities for public comment, finally preparing a request for proposal that was recently advertised and is expected to result in a number of potential cable vendors submitting proposals to the town.

Due to pending litigation, both in this town and in surrounding towns, our town counsel advised us that some charges to our zoning ordinances were required in conjunction with a master plan for the town. The Planning Board has been involved in the drafting and preparation of these changes, and the result is a number of proposed changes to the zoning ordinances which will appear on the ballot at Town Meeting. Please consider carefully the reasons behind the proposals and investigate the benefits and risks carefully before voting.

We also started a program in 1981 to step up the enforcement of all existing zoning ordinances, and especially the regulation relating to year-round conversions. The quality of the lakes in town is a valuable resource that must be protected from the economic pressures of the last few years.

During 1981 we contracted with SLF to continue to update the revaluation that was completed in 1980; we expect to continue this updating at the rate of about one quarter of the town each year so that we keep our assessments current.

In 1981 we discontinued mailing of the Town Reports, since many people had expressed to us that they were considered "junk mail", and a significant savings in postage costs could be realized. As before, this year's town report can be picked up at the Town Office or at Town Meeting.

In place of a Memorial Day parade in 1981, we voted to build a new World War II monument on the front lawn of the Town Office building with the funds that were allocated for patriotic purposes. This new monument was dedicated on Memorial Day. This year we will be having a parade on Sunday, May 30 at 2 P.M. and would encourage everyone to attend and honor the members of our community who gave their lives so that we could enjoy the freedom available to us.

A number of changes have been made this year to maintain and improve the town buildings: the Town Office building and Library were painted, both the Town Office building and Meeting House were effectively treated to prevent infestation of pigeons, the second floor of the firehouse was completely renovated, most of the oil heat systems were refurbished, and the Memorial Gymnasium was insulated and covered with vinyl siding to provide energy savings as well as improve its general appearance.

Due to the heavy snowfall this winter, we have been having a number of problems related to snow and ice buildup in the roads due to property owners diverting or dumping snowfall from their driveways. Residents are reminded that this is a violation of state laws, and we will continue to enforce those laws where the safety of other people is threatened.

At the 1981 Town Meeting we adopted a wood heating exemption law which provides for a \$100 exemption of real estate taxes. In trying to examine the applications that were made for this exemption, we found that the definition of what type of equipment qualifies was difficult to determine due to the vagueness of the law. We are therefore requesting that this year we repeal the adoption of this exemption, and would ask for your support at Town Meeting.

Finally, and certainly not least significantly, we feel that we must remind everyone that there is a penalty which applies to your real estate taxes if you fail to file an inventory form with the selectmen prior to April 15, 1982. ***The penalty is 1% of your tax bill, with a minimum of \$10 and a maximum of \$50.*** We have been, and will continue to enforce this penalty provision without exception. It is your responsibility to get the

*continued...*

completed form to the Selectmen's office by April 15, and it is preferable that you obtain a receipt for the form if the question should arise later about filing. Without filing this form on a timely basis, you lose your right to appeal your property tax assessment to the State. ***Please make sure you file this important information.***

Respectfully submitted,  
Brian G. Eastman  
Gene T. Duston  
Kenneth H. Clark  
Selectmen, Town of Hampstead

---

## POLICE DEPARTMENT

The following is submitted to you the residents and taxpayers of Hampstead for the year 1981 by your Police Department.

We were called to investigate 25 burglaries, 8 thefts, 7 motor vehicle thefts, 8 missing persons and 11 domestic problems. These led to the recovery of \$17,482.00 worth of items and the arrest of 22 adults and 4 juveniles. Additionally 5 persons were arrested for drug related offenses. A total of \$33,650.00 was reported as stolen from above listed cases. One homicide was investigated involving two out of state residents, cooperation between area Police departments, Rockingham County Sherriffs' Department and N.H. State Police led to the identification of both the victim and the perpetrator. This investigation took approximately 6 weeks and led us into four states. One attempted bank robbery is still under investigation. Motor vehicle summons were issued for 159 violations.

Seventy seven motor vehicle accidents were investigated causing thousands of dollars in property damage, and hospitalization of 19 persons and the death of one young man.

The Selectmen have instituted Parking Laws at and around town buildings and parking areas. It is our responsibility to enforce these laws which include designated areas for Handicapped, Fire Lanes and other No Parking Areas. Please observe these areas as they are for the safety of everyone.

Also in effect is public drinking ordinance that states "it is illegal to have any alcoholic beverage in any park, common, public way, beach or any recreation area of the town." Many warnings have been issued for violations with repeat offenders being summoned to court and subjected to a \$50.00 fine.

Your department operates with an elected Chief, an appointed Deputy Chief, 11 male officers, 2 female officers and 6 Blue Phone operators all of which are part time. Despite the fact that we are a part time department we are available 24 hours a day with an officer able to respond to any emergency. The phone is also manned 24 hours a day by either officers or blue phone operators, not an answering service. Two cruisers, radar units, mobile and portable radios, a snowmobile, a camera and numerous other pieces of equipment are at our immediate disposal to aid in our continuing effort to serve you more efficiently.

"Thank You" to all who were either directly or indirectly involved with this department. Cooperation is the backbone of this or any department and is needed from everyone if we are to operate in an efficient manner for the safety and security of Hampstead.

William J. Letoile, Jr.

---

## HAMPSTEAD PLANNING BOARD

The Planning Board had a challenging year. The Town was taken to court and lost the judgement, but out of that Superior Court Master's Report came two strong recommendations.

The first and most important was that our multiple-unit dwelling Article X is beyond the scope of the regulatory power given to the Town under the Enabling Legislation RSA 31:60-90. "Hampstead's creation of a third method, a Town Meeting floor vote preceeded by one public hearing, is not specifically authorized by the New Hampshire Constitution or Enabling Legislation and is not a power necessarily incident to the exercise of authorized zoning powers." (Region X Client Management vs. Town of Hampstead, N.H.). Amendment #5 to the Zoning would allow the creation of multiple family dwellings in Zone C-2, subject to Site Plan Review.

The Court Master also addressed the issue of a Master Plan for the Town. In his opinion RSA 31:62 says the Town must have a comprehensive plan (which is synanonmous with the term master plan as described in RSA 36-13), and in 1979 the New Hampshire Legislature adopted RSA 36-62 a & b making it clear that growth timing measure must be based on a master plan.

The Planning Board has spent more than 100 hours meeting with Boards, Departments, Commissions, Committees, and the public to compile a comprehensive Town Plan. The format was developed with the help, advise and encouragement of Chris Miller, Planning Director for Southern Rockingham Planning Commission. The draft copy is available at the Planning Board Room or from the Town Clerk. Hearings are still being held before the document can be adopted.

The Legislature passed RSA 249:17 which requires towns to make reasonable provisions for "manufactured housing" in the Town. Our Attorney had advised us the Emerson Mobile Home Park will not legally fulfill the Town's obligations. A referendum was presented to the voters in September. Based on those results the Board has drawn up amendments to the Zoning. Amendment #3 would allow mobile home parks in Commercial Zone C-2 with conditions. Amentment #4 would allow manufactured homes on individually owned lots in subdivisions located in Residential Zone A, again with conditions. One or both proposals may be adopted.

On March 9, the Townspeople will be faced with several other zoning questions. Amendment #1 deals with changes in the definitions. Town Counsel has

# 1982 Town Warrant

## Town of Hampstead, N.H.

To the inhabitants of the Town of Hampstead, in the county of Rockingham in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the gymnasium in said Hampstead on Tuesday, the 9th day of March, next at ten of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.
2. To choose all necessary School District Officers for the year ensuing.
3. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

General Government	147,071.00
Public Safety	75,900.00
Highways and Streets	133,800.00
Sanitation	86,000.00
Health	17,734.00
Welfare	10,650.00
Culture and Recreation	48,860.00
Debt Service	100,000.00
Miscellaneous	24,000.00
	<hr/>
	644,015.00

Recommended by the Budget Committee.

4. To see if the town will vote to authorize the Selectmen to hire money for the use of the town in anticipation of taxes.  
Recommended by the Budget Committee.

5. To hear reports of Auditors and Committees and to act thereon.

6. To see if the town will vote to authorize the Selectmen to administer or dispose of any Real Estate acquired by the Town through Tax Collector's deeds by public sale.  
Recommended by the Budget Committee.

7. To see if the town will vote to require the Selectmen, before disposing of real property, the title to which has been acquired by Tax Collector's deed, first consult with the Conservation Commission, said Commission to recommend if the retention of such real property would be in the best interest of the town as provided in RSA 80:42a, subject to final ratification of the next annual Town meeting.

8. Amendment No. 1, to the Hampstead Zoning Ordinance, as proposed by the Hampstead Planning Board.

- I. Amend the following Articles as set forth below:

### Article XX (Definitions)

3. "Building". Delete definition. Substitute in lieu thereof:

"As defined by the BOCA Code, as then adopted by the Town."

4. "Dwelling". Delete. Substitute in lieu thereof:  
"4a. Dwelling: Single Family- a building occupied exclusively for residence purposes only and having one dwelling unit, but not including trailers or mobile homes, however mounted, or commercial accommodations for transient occupancy.

- 4b. Dwelling: Multi-family— a building, or portion thereof, containing two or more dwelling units occupied exclusively for residence purposes, but not including trailers or mobile homes, however mounted or commercial accommodations for transient occupancy.

5. "Dwelling Unit". Delete the words "and a kitchen".

8. "Frontage". Delete "street or way". Insert in lieu thereof: "Approved Street".

9. "Governing Body". Delete definition. Substitute in lieu thereof: "A duly constituted and convened town meeting".

11. "Mobile Home". Delete definition. Substitute in lieu thereof; "manufactured housing- including mobile homes"- "shall have the same meaning as defined in NH RSA 31:118, as amended from time to time".

12. "Municipality". Delete.

### Add the following (new) descriptions:

21. "Lot"- "Every parcel of land situated wholly or partly in Hampstead which meets the definition of NH RSA 36-C; I, IX."

23. "Structure"- As defined by the BOCA Code as then adopted by the Town."

### II. Article II. Section VIII.

Paragraph 1. Add the following sentence: "Such accessory buildings shall not exceed 750 square feet in floor area and one story in height. Not more than Two (2) accessory buildings shall be permitted on one lot."

### III. Article XIX. Section 107.

Add the following sentence; "The provisions of Section 107 which relate to the experience and qualification of the Building Official are deleted. The Building Official shall have general building and construction experience."

### V. Article XIII. General Provisions.

Add the following new Section V as follows:

"Section V.

Except as otherwise provided herein, the 'Table of Requirements' shall be complied with in changing any existing use or undertaking and construction or alteration not already in existence as of the date of this Ordinance."  
Recommended by the Planning Board

9. Amendment No. 2, as proposed by the Hampstead Planning Board.

Delete the following Sections from the Hampstead Zoning Ordinance relative to lot size:

Section II (only) of Article II and Section II (only) of Article III. Substitute in lieu of each thereof the following replacement Sections:

(Section II of Article II)

"A building lot in Zone A shall contain, as a minimum, the appropriate square footage set forth on the following Table I for the soil and slope which constitutes such lot and all other requirements as set forth in the "Table of Requirements" for Zone A.

(Section II of Article III)

"A building lot in Zone B shall contain, as a minimum, the appropriate square footage set forth on the following Table I for the soil and slope which constitutes such lot and all other requirements as set forth in the "Table of Requirements" for Zone B.

Recommended by the Planning Board.

10. Amendment No. 3, as proposed by the Hampstead Planning Board.

Amend Article V (Commercial Zone C-2, Section 1, by adding the following new Paragraph 9:

"Mobile home parks, provided they meet the following provisions and requirements, to the extent they are more restrictive, the requirements of Zone D:

1. General Conditions:

- a. Permitted locations for a mobile home park shall include only well-drained sites, not subject to smoke, to noise, excessive for residential purposes, and to the probability of flooding or erosion.
- b. No mobile home, conventional structure, or parking area in the mobile park shall be located within 200 feet of an adjoining property or right of way.
- c. Any buildings other than mobile homes shall be situated on the tract in accordance with the setbacks required for the district in which they are located. Such buildings shall be separated by a minimum distance of 20 feet.
- d. a 100 foot buffer strip shall be required along all adjoining properties.
- e. The Selectmen, Health Officer, and Fire Inspector shall inspect each mobile home park from time to time, at reasonable hours.

2. Site Requirements:

- a. Site area— 10,000 square feet.
  - b. Minimum frontage- 100 feet (on a public or private street).
  - c. Minimum depth- 100 feet.
  - d. Minimum set backs— in establishing set backs, awnings, vestibules, or other attached building components, and patios shall be considered an integral part of a mobile home. Front yard— 30 feet, rear yard— 20 feet, and side yards- 15 feet.
  - e. Each lot shall contain a parking space of at least 10 feet by 20 feet. Each lot shall be kept free from dense growth of brush or weeds and suitably landscaped.
3. Roadways: All roadways shall have a minimum right-of-way width of 40 feet and a minimum pavement width of 20 feet. They shall conform to accepted practices of good design, shall be well drained, hard paved and reasonably lighted for public safety.

4. Parking Spaces: In addition to individual mobile home parking spaces, an addition space for each four mobile home sites shall be provided for guest parking, two-car tenants and deliveries. These additional spaces shall be hard paved.
5. Recational Requirements: Recreation areas shall be provided and restricted to such use. They shall be protected from roadways and parking areas by adequate fencing. The following shall apply:
  - a. Minimum area— 10,000 square feet.
  - b. Additional area requirements— 1,000 square feet for each additional mobile home site above 20.
  - c. All recreation areas shall provide both active and passive facilities and maintained.
6. The provisions of this Ordinance, and of all town building codes and regulations where apt, shall apply to all construction, alterations, repairs, and additions to mobile homes and structures within the park.
7. Water Supply: Each mobile home and every building designed to include water consuming facilities shall be provided with an adequate supply of safe, sanitary and potable water. Every mobile home park shall be serviced by a New Hampshire Water Supply and Pollution Control Commission approved share water system.
8. Sewerage and Waste Disposal, Sanitation Facilities: Every mobile home park shall provide a proper and acceptable sewer and sewage disposal system to a communal sewer system approved by the Health Officer and the State Water Supply and Pollution Control Board. All fixtures of any kind discharging water or other liquids shall be properly trapped and connected as to comply fully with all ordinances and regulations of the town including those of the State of New Hampshire.
9. Garbage and Refuse Disposal: It shall be the responsibility and duty of the owner or manager of the park to see that all garbage and refuse is stored, collected, and disposed of in a regularly and sanitary manner approved by the Health Officer.
10. Electricity: All power lines shall be placed underground except when and where it is necessary to provide overhead service. Each mobile home space shall be provided with at least a 220-volt outlet. Installation shall comply with all applicable state and local electrical codes and ordinance.
11. Telephone: Where telephone service in mobile home spaces is provided the distribution systems shall be underground and shall be in general conformance with the placement of the electrical distribution system.
12. Lighting: Every mobile home park shall be provided with adequate street lighting facilities, and shall be kept lighted in accordance with the timetable for the lighting and extinguishing of public street lights.
13. Maintenance and Repairs: Mobile home parks and all structures situated therein shall be kept in good repair and shall at all times be maintained in a clean and sanitary condition. Streets and driveways within such parks shall be graded, well drained, kept in

good order and also kept open so as to permit the entry of fire fighting or other emergency equipment at all times.

14. Management: Every owner, operator, attendant, or other person responsible for the operation of a mobile home park shall maintain a register containing a record of all mobile homes and occupants using the park. Such register shall be available to any authorized person inspecting the park, and shall be preserved for the period required by the Planning Board. Said register shall contain:

- a. The names and permanent addresses of all mobile home occupants stopping in the park.
- b. The make, model, and license number of motor vehicles and mobile homes belonging to the people using the spaces within the mobile home park.
- c. The state or other governmental unit issuing the mobile home license.
- d. The dates of arrival and departure of each mobile home"

Recommended by the Planning Board.

11. Amendment No. 4, as proposed by the Hampstead Planning Board.

Amend Article II (Residential Zone A) by adding the following new Section X:

"Mobile Homes shall be permitted as single family dwellings (together with only one single story accessory building not to exceed 600 square feet of floor space) in Zone A, but only in subdivisions approved by the Planning Board after March 9, 1982, provided such subdivision meets the requirements therefor in the 'Table of Requirements'.

Before placing a mobile home on lots with a mobile home subdivision, the lot owner must obtain a permit from the Building Inspector. Upon application, such permit will issue upon satisfaction of the following conditions:

- A. A conditional Ninety (90) day temporary permit shall be issued upon
  - i) The payment of a \$50.00 bond, to the Town; and
  - ii) delivery to the Building Inspector of an approved (by NHWSPCC) septic system design; and
  - iii) a certification by the manufacturer of the mobile home that such mobile home either
    - (a) is "BOCA" Code certified, or
    - (b) meets or exceeds the Federal Standards issued under and pursuant to 24 CFR §201.520 not earlier than Twelve (12) months prior to the date such conditional temporary permit is applied for. This conditional, temporary permit shall not be construed as an occupancy permit.
- B. A final, permanent permit which shall be an occupancy permit, shall be issued for the mobile home in question upon the last to occur of
  1. The installation of a cement or cement-block enclosed foundation on which the mobile home rests;
  2. Inspection by the Building Inspector to insure

- a) proper construction and installation of the sewerage disposal system and related plumbing in accordance with the approved plan and the Town's Building Code;
- b) proper installation of electrical and water

In the event a permanent permit is not obtained prior to the expiration of said Ninety (90) day conditional permit period, the Selectmen may, any time thereafter, upon Thirty (30) days written notice sent certified mail return receipt requested, commence action in the Rockingham County Superior Court to remove said mobile home from said lot."

Recommended by the Planning Board.

12. Amendment No. 5, as proposed by the Hampstead Planning Board.

Amend Article V (Commercial Zone C-2) of the Hampstead Zoning Ordinance by adding the following new Section IV:

"The erection of multiple family dwellings shall be permitted within Zone C-2, subject to the following conditions and the 'Table of Requirements', upon site plan approval by the Planning Board:

1. Lot size. Minimum lot size for multiple unit structures shall be based upon the soil's capability for adequately treating domestic wastewater, without adversely affecting adjacent wells, surface water or otherwise compromising the residential quality of life.  
  
Minimum lot sizes shall be determined according to the procedures and standards set forth in regulations established by the N.H. Water Supply and Pollution Control Commission (NHWSPCC), Administrative Rules, Ch. WS 1000, Subdivision and Individual Sewage Disposal System Design Rules, Part WS 1004.05.
2. Soil Type Determination. Determination of on-site soil conditions shall be required of the subdivider and shall be determined by a qualified soil scientist as designated by the Rockingham County Conservation District.
3. Allowable Units. Permits shall be issued for no more than 50 multi-family dwelling units per calendar year. No individual, corporation, development project or platted subdivision shall receive permits for more than half of that number in any calendar year, but if more than 25 units are approved, shall be entitled to receive 25 permits each year until all approved dwelling units have been constructed regardless of the number of permits issued to others.
4. Family Apartments. Rental apartments of two or more bedrooms shall not exceed 20% of the total units permitted under the multiple-family proposal.
5. Setbacks. No multiple unit structure shall be located less than 100 feet from the nearest public right of way. Every multiple unit structure shall be set back from the property lines at least 50 feet.
6. The final approval of the proposed multi-family structure is subject to and conditional upon site plan review by the Planning Board.
7. Paved parking shall be provided for two cars per dwelling unit.
8. Dwelling units shall contain a minimum of 400 square feet of floor space, measured internally, for

one bedroom units, 500 square feet for two bedroom units, 600 square feet for three or more bedroom units.

9. Multi-family structures shall not exceed thirty-five (35) feet in height, measured from the top of the structure's footings to the peak of the roof."

**Article X. Multiple Dwellings. Delete.**

Recommended by the Planning Board.

13. To see if the voters are in favor of amending the Town's Zoning Ordinance by adding the following new paragraph to Article I, Zone C-1 as follows:

"That part of the Town of Hampstead bounded northerly by the southerly line of new Route 111; easterly by the easterly bound of Tax Map 6, Parcel 7; southerly by the southerly boundary of Tax Map 6, Parcel 7 and a line four hundred (400) feet south of and parallel to the southerly line of new Route 111 and the northerly lot line of Tax Map 6, Parcel 60 and westerly by the easterly line of Stage Road (Route 121), so-called, and the easterly lot line of Tax Map 6, Parcel 60."

Amendment #7.

By petition.

Recommended by the Planning Board.

14. To see if the voters are in favor of amending the Town's Zoning Ordinance by adding the following:

Amend Article 1, Zone D, by adding the following paragraph:

- (2) That part of the Town of Hampstead bounded:  
Tax Lot #13-63

Amendment #9

By Petition.

Recommended by the Planning Board.

15. To see if the Town will vote to expend from Revenue Sharing funds a sum not to exceed \$1,000.00 for the purchase of an IBM typewriter for the Selectmen's Office.

Recommended by the Budget Committee.

16. To see if the Town will vote to expend from Revenue Sharing funds a sum of money not to exceed \$8,500.00 for the purchase of a Police Cruiser.

Recommended by the Budget Committee.

17. To see if the Town will vote to expend from Revenue Sharing funds a sum of money not to exceed \$5,000.00 for the repair of Engine 1.

By request of the Fire Engineers.

Recommended by the Budget Committee.

18. To see if the Town will vote to expend from Revenue Sharing funds the sum of \$3,500.00 for the purpose of obtaining aerial photographs of the town of Hampstead to correspond to the existing tax maps.

Recommended by the Budget Committee.

19. To see if the Town will vote to expend from Revenue Sharing funds the sum of \$10,000.00 to be added to the Capital Reserve Fund established in 1981 for the purchase of a Rescue Vehicle.

By request of the Rescue Squad.

Recommended by the Budget Committee.

20. To see if the town will vote to raise and appropriate the sum of \$7,000.00 to continue the project of refurbishing the Meeting House.

By request of the Historic Commission.

Recommended by the Budget Committee.

21. To see if the Town will vote to raise and appropriate the

sum of \$29,000.00 to replace the floor at the Memorial Gym.  
Recommended by the Budget Committee.

22. To see if the Town will vote to raise and appropriate the sum of \$1,000.00 to help complete the Historic Architectural Survey in conjunction with the Master Plan.  
Recommended by the Budget Committee.

23. To see if the Town will vote to install a street light on West Shore Drive on pole #1201/3 37-5-50 at a cost not to exceed \$100.00 per year.

Not Recommended by the Budget Committee.

24. To see if the Town will vote to raise and appropriate the sum of \$2,000.00 to be added to the Land Acquisition Fund established in 1972 for the Conservation Commission.

Not Recommended by the Budget Committee.

25. To see if the Town will vote to accept State Aid Construction of Class V roads, and raise and appropriate or set aside for said purpose the sum of \$434.12, the state's share being \$2,894.12.

Recommended by the Budget Committee.

26. To see if the Town will vote to rescind the adoption of RSA 41:32a and to raise and appropriate a sum not to exceed \$3,700.00 to allow the Selectmen to hire a Certified Public Accountant to do the annual town audit.

Recommended by the Budget Committee.

27. To see if the Town will vote to repeal the property tax exemption for a woodheating energy system as voted in Article 26 of the 1981 Warrant.

Recommended by the Budget Committee.

28. To consider that the Planning Board be elected to office by a majority of the Town at Town Meeting.

By Petition.

29. Petition to amend zoning law pursuant to N.H.R.S.A. 31:63-b Lewis Builders, Inc. of Sawyer Avenue, Atkinson, N.H., and the undersigned, all legal voters of the Town of Hampstead, pursuant to Article X hereby petition to allow Lewis Builders, Inc. to construct two (2) efficiency apartment buildings of 16 units each on land of Lewis Builders, Inc. in the East Village Apartment area.

By Petition.

30. To see if the Town will vote to allow Lewis Builders, Inc., to construct two (2) efficiency apartment buildings of 16 units each on land of Lewis Builders, Inc., in the East Village Apartment area.

Recommended by the Budget Committee.

31. To see if the Town will vote to accept the donation of \$3,000.00 from the Cohern Foundation Camps.

Recommended by the Budget Committee.

Given under our hands and seal, this 12th day of February, in the year of our Lord nineteen hundred and eighty two.

BRIAN J. EASTMAN  
GENE T. DUSTON  
KENNETH H. CLARK  
Selectmen of Hampstead

A true copy of Warrant- Attest:

BRIAN J. EASTMAN  
GENE T. DUSTON  
KENNETH H. CLARK  
Selectmen of Hampstead

Articles 8, 9, 10, 11, 12, 13, and 14 will appear as referendum on the ballot.

The polls will not close before 6:00 P.M.

It is understood that a motion will be made at the opening of the meeting that the polls remain open until 8:00 P.M.

The business meeting will be held on Friday, March 12, 1982 at 7:00 P.M. in the gymnasium.

reviewed our zoning and made these recommendations. Amendment #2 would make all lots subject to size based on the capabilities of the soils to support a dwelling with a well and septic system. The Planning Board adopted the same regulations under "Subdivision" in 1978. It is effective and works well and we strongly recommend its adoption.

A proposal for Open Space Development is being drafted. Open Space allows houses in a subdivision to be grouped together while requiring that half of the acreage remain permanently in open space. The Board has been called egotistical for suggesting such zoning. We are interested in seeing our town grow in a reasonable manner while preserving as much open space as possible. After all, Hampstead's charm has been her country look of the town square and the fields and woods adjacent. Development of every lot along every road in a grid fashion is not what we envision the Town to look like in the future.

Subdivisions proposed last year numbered seven, only two were sizeable, Evergreen Enterprises, Inc. had 16 lots approved and Lewis Builders, Inc. had a 24 lot subdivision approved. The remainder of the plans had a total of seven building lots. Two plats were not approved.

Eleven Site Plans for new businesses or changes to existing businesses were considered and ten were approved.

The Board recieved and approved eight plats for lot line changes or recording of property boundaries.

The Planning Board meets the first Monday of each month for public hearings and has a business meeting on the third Monday. These meetings are open to be public and we encourage you to attend and participate.

Respectfully submitted,  
Leonard R. Chase, Chairman  
Vernon W. Dingman, III, Vice-Chairman  
Susan E. Hastings, Secretary

## HAMPSTEAD EMERGENCY RESCUE SQUAD

In 1981, total emergencies responded to by the Rescue Squad was 113. Of this number, automobile and bike accidents totaled 29 and other miscellaneous calls such as heart attacks, respiratory problems, sports injuries, burns, etc., totaled 84.

As in the past, a great deal of emphasis was placed on training. The Squad has a three hour training session each month to keep members abreast of new procedures and to keep up their basic training. All personnel recertified in CPR, and although it is not a requirement, many of our Emergency Medical Technicians have taken advanced modules for aiding patients in severe shock using MAST trousers, and for providing more efficient CPR with the use of the esophagel obturator

airways. Major emphasis in training this year was the use of METTAG, Medical Emergency Triage Tag. In a mock disaste situation, the METTAG system requires the tagging of victims in order of priority, where they are given appropriate medical treatment prior to being transferred to an assigned hospital. After training on the above system a mock disaster plane crash drill was organized by our fire department. Approximately ten area fire departments were involved with 50 EMT's plus firefighters and local ambulance services. The drill was a complete success due to the extensive preparations, training, and dedication of all involved who volunteered as "victims".

New training aides purchased this year included wall charts on various anatomical systems and a tape recorder. Equipment obtained included a triage kit (METTAG), pagers and a stair chair.

We would like to thank Souther New Hampshire Ambulance Service for their cooperation, support, and never failing quick service. We sincerely thank all the townspeople who contributed to memorial funds in support of the Squad. We appreciate your support of our annual fund raiser, the New England Boiled Dinner, which helps in the purchase of supplies and equipment. Again this year we are hoping for the support of the townspeople in adding to the Capital Reserve Fund that was established last year toward the purchase of a new rescue vehicle.

We continue to urge the use of house numbers to assist us in quickly locating those needing our assistance, and we encourage your involvement as we seek more participation by townspeople in this self-gratifying work.

We currently have 16 EMT's and two advanced first aiders on the Squad. The officers are: Corinne Tetreault, President; Kathy Faxon, Vice-President; Susan Hastings, Secretary; Robert Webster, Treasurer; David Duston, Squad Captain; Stephen Tetreault, Training Officers; Janice Bryant & Kevin Fitts, Equipment Officers.

Respectfully submitted,  
Corinne Tetreault  
David Duston  
Stephen Tetreault,  
Executive Committee

## HAMPSTEAD FIRE DEPARTMENT

This past year has seen several improvements in the fire department. The most important being the upgrading of Tank 5. The task was completed within 30 working days by Continental Fire Trucks of Hopkinton, Massachusetts. The work included installing a completely new tank and building all new storage compartments. This truck now has the latest in fire fighting innovations to make our work easier.

The Hampstead Young Mothers Club and the Hampstead Voluntary Fire Protective Association donated money and together with six neighboring towns we purchased a high pressure compressor and air cascade system to fill Scott Airpac bottles. The system is

housed at the Plaistow Fire Station and available for our use day or night. At a recent structure fire we refilled air bottles and had a more than adequate supply at the scene.

Another major improvement was the addition of a soundproof room for the dispatcher. This makes it easier for him to operate the radio during emergency calls.

The Board of Engineers with the cooperation of the Selectmen have transferred the maintenance and upkeep of the fire houses to the town building account; previously it came from the Fire Department budget. Due to this the kitchen, bathroom, and meeting hall have been fixed up and repainted.

During the year activities to raise money for the department were conducted by the Fire Association. They included a chicken barbeque, the Christmas tree sale, and a cordwood raffle. These projects enabled us to add to the Duston Fund and the Ingraham Fund. A substantial amount was spent on new equipment and improvements to Central Station. One major project was the purchase of a new refrigerator and kitchen utensils which were badly needed.

The Christmas Parade was bigger and better this year with the weather being ideal and more units participating.

#### Emergency Calls for 1981:

STRUCTURAL FIRES	16
CHIMNEY FIRES	9
DUMP FIRES	0
WOODS AND GRASS	14
MOTOR VEHICLE/FLUSH GAS	7
BOX ALARMS	15

 Neil E. Emerson, Lieutenant  
 Glen K. Fitts, Lieutenant

## HAMPSTEAD PUBLIC LIBRARY

*"Take The Time to Read...  
 It Is the Foundation of Knowledge"*

The library staff would like to again thank the town for its continued support and use of its resources.

Circulation continues to climb and it has been difficult to keep a sufficient collection available for library patrons of all ages. One reason for this is that the State Library Office in Exeter closed and the Bookmobile has been taken off the road due to the lack of state funds. As we had not increased the book budget last year, we were unable to purchase as many books. The gifts of money for memorial books, special collections purchased by town organizations, and donations of both hardback and paperback books from so many of the townspeople helped a great deal. We also need to supplement and bring up-to-date many reference materials purchased a few years ago. We continue to divide the book budget so that all areas and age groups have new books to select from. We are now finding not only more student usage of the reference room, but more adults are using reference materials as we add variety and depth to this area.

Mrs. Bleser, Assistant Librarian, has kept the communication open between the school libraries and the public library. Classes visit the library for projects and we were pleased to display the Young Author's Books written by our school children last spring and displayed the Industrial Arts Department's projects.

We were sorry to accept the resignation of Catherine Robbins. We were grateful for the time she worked with us. We welcomed Adele Trested to the library staff in May. Her expertise is in the children's area and we hope to offer a variety of services for them this coming year.

The Friends of the Library continue to be an active and very supportive group. Under the leadership of Kay Murphy, they have had a variety of interesting programs. They have purchased for the library a sump pump, a water vacuum (we occasionally flood in the Kirness Room) and a card catalogue. They have sponsored the summer reading program and the art and photography shows, as well as purchased passes to the Boston Museum of Fine Arts and the New England Aquarium.

We again tried to offer a variety of programs to the public. We have two travelogues, the County Extension discussed wood lot management, Jackie Sakash taught Easter Eggs, Richard Emerson spoke on Gardening, Louise Pryor discussed poetry, Nancy Miles and Lois Perry enlightened us on herb gardening, the Seacoast Hospice Movement spoke on the Hospice program, and Dot Fowler, Alex Draper, and Nancy Rockwell offered craft workshops. The Trustees sponsored the New Hampshire Authors Program and we had the annual art and photography shows. We also offered Christmas workshops for the children.

The Adult Book Discussion Group continues under the direction of Marlise Swartz and Ann Myer. We read a variety of books and found the discussions to be of great interest. The Summer Reading Program was again successful. "Tapestry", an area theater youth group, performed for the reading party. Mrs. Gloria

*continued...*

## **LIBRARY** *continued...*

Rothe was our summer 'story lady'. Her enthusiasm and talent have been enjoyed by so many children over the past years and we have been fortunate that she has shared her talents with us.

The Hampstead Lioness Club gave books on sign language, the large print Reader's Digest and lighted magnifiers to be used in the library. The Young Mothers Club continues to do the Children's Story Hour, and they purchased a set of early reading books. Their enthusiasm and continued interest in the library should be commended by the entire community. We were able to put monies toward a set of reference books from the "Feed Your Library Day" sponsored by Custeau's Super Market.

I continue to attend meetings of library interest in the area. The Merri-Hill-Rock Library Cooperative of which we are a member, meets monthly. Through this group we have been able to by materials collectively, save monies on book binding and audio-visual equipment usage, and most important of all, are now working on an inter-library loan policy where we can assist each other with special needs of our patrons. From grants that other local libraries received, we now have use of a computer and film projectors.

Space is now our biggest program, particularly the study area for adults and students. We have utilized all available shelving space as well and must look to other possibilities. The Long Range Planning Committee is currently meeting to discuss these problems.

I would also like to thank Les Bond and Loretta Cummings for faithfully collecting newspaper book reviews over the past years.

reviews over the past years. Without the assistance of Peg Brown, Barbara McIntire, Elaine David, and Henri Eastman for their time at the desk area, we may not have survived many a day! A special thanks goes to my husband Ralph who sees that I get to work on stormy days, changes lightbulbs and does all the little chores to keep the library building functional. I also appreciate this understanding that my 'part-time' job is mentally a full-time one.

I am also thankful for the support and abilities of my assistant, Nancy Bleser and the vitality and interest of Adele Trested. The three of us and our Trustees, Warren Cooke, David Lanning, and Beth Duston, have tried and will continue to try to serve the community as a whole in library services.

Respectfully submitted,  
Elizabeth B. Rooney  
Librarian

---

## **HAMPSTEAD LIBRARY TRUSTEES**

The Hampstead Public Library has had increased circulation for five consecutive years, from a low of 7300 in 1977 to a current high of 21,000, or the equivalent of five items borrowed by each Hampstead resident. These figures represent all books, magazines, and reference materials loaned for the year to all our townspeople from the pre-schooler to the senior citizen. Circulation

growth can be attributed to several factors; library staff and programs, increased numbers of library card holders, and the current recession. Becky Rooney and her assistants, Nancy Bleser and Adele Trested, have been responsible for planning a variety of interesting programs, including art, photography, and travel shows and do-it-yourself gardening and crafts classes. Interest in these program topics has also generated increased book borrowing. Fortunately an excellent inter-library loan system on a local and state-wide basis has made many more titles available to our patrons. It is important to realize that a book, if not available in our own library, can be obtained with our librarian's assistance at another library. This cooperative library network has benefitted everyone. Secondly, more patrons are using the library as we now have 1857 card holders in Hampstead. The number could actually be larger since in some households several family members share one card. Finally, it has been shown that during an economic slowdown the public library experiences increased use. This phenomena can perhaps be attributed to book costs, now averaging around \$20 per book, and also less money is available for entertainment.

Increased library use, however, does present space and programming difficulties. The library trustees and the library staff have had many meetings to discuss better methods for space utilization. Discussion of better ways to use existing space has resulted in a new magazine rack, a more efficient checkout area, paperback nook, and rearrangement of the children's area. A long range planning committee has been examining other methods to improve space conditions.

Much work has been completed this year on the physical aspects of the library. Our grateful appreciation is extended to our local residents who helped to maintain and preserve our library building and its grounds: Fran Morin, Paul Wentworth, Bruce Fisher, Hank Barry, Ken Duston, Chip Hastings, Charlie Kinney, Al Lake, Art Reynolds, Denis Currier, Ralph Rooney, and Gene Duston.

Finally, the trustees wish to thank those local groups whose contributions of time and money have enhanced the library and its programs: The Friends of the Library, The Young Mothers Club, Custeau's Market, and the Lionesses.

Respectfully submitted,  
Beth Duston

## **CENTER FOR LIFE MANAGEMENT**

The Mental Health Center for Southern New Hampshire is now the Center for Life Management. The name change reflects the purpose and philosophy which guides the continued growth and development of the organization. The mission of the Center is to provide a resource for individuals and families experiencing problems in daily living.

The Center for Life Management now operates a 24-

hour emergency response system; two outpatient clinics (Salem and Derry); inpatient psychiatric services; a partial hospitalization program; a substance abuse program; consultation to area schools, professionals and agencies; and a Family & Life Education program.

Our Salem branch office is located at 22 Main Street on the second floor of the Salem Professional Building. Clinic hours are Monday through Friday, 9:00 a.m. to 5:00 p.m., and Tuesday and Thursday evening until 9:00. Our Derry branch is located in the Medical Arts Building, Birch Street. Clinic hours are Monday through Friday, 9:00 a.m. to 5:00 p.m., and Wednesday and Thursday evenings until 9:00.

The Windham Inn is located on Route 28, Windham. The Windham Inn is a program for individuals who have experienced long and/or severe emotional crises. They often must relearn the basic skills of daily living. The Windham Inn provides a supportive family atmosphere in which clients regain basic social, self-care, communication and work skills. Productive employment is a primary goal of both staff and clients at the Windham Inn. Through daily classes in prevocational skills and a community based transitional employment program, Windham Inn clients gradually return to full-time work.

During 1981 our Family and Life Education program provided the following programs and services to the residents of Hampstead:

January 20	"When Red and Green Turns Blue"
January 22-February 19	"Stress Management" (5 week course)
February 10	"As the Bills Pour In...\$\$"
February 26	"Retts the Clown"
March 3	"Stepparenting"
March 10	"Children and Stress"
March 22	"Stress and Family Life"
April 14	"Sweet Nothings"
April 28	"Explaining Death to Children"
May 19	"Upheaval and Relocation"
June 2	"Summer Survival with Kids"
October 1-November 19	"Stress Management" (8 week course)
October 16	"Pre-School Books as a Parenting Aid" "Children's Fears"
October 20	"Pre-School Books as a Parenting Aid"
October 20, November 3, November 17	"I Can Cope"
October 14-November 11	"Anxiety Management" (6 week course)
October 26	"Parenting Skills"
October 28	"Stress"
November 17	"Going Single"
December 8	"When You're Racing with the Clock"

---

## NEWMARKET REGIONAL HEALTH CENTER

In 1981, the Newmarket Regional Health Center celebrated its 10th anniversary, and opened a new medical facility, the Lamprey River Clinic, in

Raymond, New Hampshire. At both facilities, a medical program is operated, providing general medical care, preventive health services and an extensive community outreach program, which includes preventive screening clinics, health education and social services. In 1981, the health center initiated a mental health linkage program. Ann Bliss, a counselor, was hired to provide mental health services which consist of initial intake and assessment, short-term counseling linkage and referral to area mental health agencies.

Medical services are provided by Sarah Oxnard, M.D., Michael Lewis, R.P.A., and Barbara Janeway, M.S.N., A.R.N.P. In July, Peter Friedensohn, M.D. joined the staff. Dr. Friedensohn is a graduate of Dartmouth Medical School. The medical team includes registered nurses, medical assistants and community health workers. For more information or to make a medical appointment, call 659-3106 in Newmarket, 895-5531 in Raymond, or toll-free in Newmarket at 1-800-582-7279.

The Community Health Workers coordinate a school health program and preventive screening clinics to detect potential health hazards. They hold informative workshops and act as liaison between the medical providers and the patient.

The Newmarket Regional Health Center also operates a Senior Citizen Transportation Program. In 1981, two new 18-passenger busses (with hydraulic lifts) were purchased, increasing our fleet to three vehicles equipped to provide services to individuals confined to a wheelchair.

The transportation service enables seniors to remain independent, self-sufficient and active by providing rides to needed services, including medical, shopping and recreational trips. For more information or to arrange a ride for a senior citizen, call 659-2424 or toll-free at 1-800-582-7279.

The Newmarket Regional Health Center wishes to express its deepest appreciation for the continuing support given by the town of Hampstead.

Sincerely,  
Ann H. Peters  
Executive Director

## DERRY VISITING NURSES

The Derry Visiting Nurse Association has proudly served the Town of Hampstead since 1973. The following and many other factors combine to continually demand that this agency be effective and flexible in responding to your community's home health care needs:

- A rapidly growing population
- Earlier hospital discharge
- Longer life spans
- Escalating costs of institutional care
- Increasing emphasis on prevention
- New England tradition of self reliance

*continued...*

The Derry Visiting Nurse Association has a long proven record of serving participating communities with professional excellence and human caring. Services are offered under four major program areas as follows.

#### **Care of Sick Program**

Nursing Home Visits  
Physical Therapy  
Occupational Therapy  
Home Health Aide Visits

#### **Homemaking Program**

Homemaker Visits

#### **Maternal and Child Health Program**

Well Child Clinics and Followup Visits  
Immunization Clinics  
Expectant Parents Classes  
New Born Visits

#### **Adult Health Promotion Program**

Screening and Follow-up Clinics  
Health Education  
Adult Health Home Visits

We are happy that home health care costs have been increasing at a much lower rate than institutional health care costs. One of the major factors in our increased costs is maintaining certification for reimbursement from Federal sources such as Medicare, block grants and Title XX. However, those Federal funds, combined with specific grants, allows our agency to provide services to Hampstead which cost the agency over five (5) times as much as the Town appropriation. We feel this is appropriate utilization of agency resources.

Federal funds and grants usually are restricted to specific categories of illness, age, income, and time periods. Many people needing our services simply do not fit those specific eligibility categories. So, it is important to emphasize that Town appropriations assist the agency to serve people regardless of income and age.

Following are some statistics for Hampstead for last fiscal year ending, June 30, 1981.

Skilled Nursing Home Visits	527
Physical Therapy Visits	150
Occupational Therapy Visits	32
Home Health Aide Visits	336
Homemaker Services (hours)	291
Well Child Clinics (children served)	7

The above and other services for Hampstead residents cost over \$28,000, a per capita value of approximately \$7.64. It is impossible to translate those services into human values, but our clients and their families can testify to the meaning of home health care in their lives.

If local citizens meet President Reagan's challenge to increase local funding to compensate for drastic Federal cuts, the Derry Visiting Nurse Association will be able to continue its long standing commitment to serve people regardless of income and age. If the local funding challenge is not met, this agency will be forced to radically alter the services provided.

Hampstead representatives on the Board of Directors are Loretta Cummings, Judy Delisle, Evelyn Lawrance, Molly Mugler and Joseph Houle.

## **CONSERVATION COMMISSION**

The Conservation Commission had a very successful year in 1981, completing numerous land acquisition, community, conservation and environmental education projects.

The Pickard Estate (115 acres) on the West Road and Mathes Land (29 acres) on Stage Road were acquired utilizing H.C.R.S. (Heritage Conservation and Recreation Service) monies as well as land acquisition funds of the Conservation Commission. A third parcel known as the "Shingle Mill Lot" (5 acres— was donated by Virginia Duston and the Green family.

The Greater Hampstead Civic Club and the Conservation Commission co-sponsored a Fishing Derby on April 25th at Shop Pond. Over 500 trout were purchased and stocked through the N.H. Fish and Game Department. The 234 children registered has a great time in spite of the rainy day! Thanks go to the Young Mother's Club, Lions, Recreation Dept., Proc Wentworth and the Selectmen for their support.

The Shop Pond project was completed with the addition of benches, sign and many flowering shrubs and trees for the whole town to enjoy; in observance of Arbor Day, the Commission distributed 1200 white and blue spruce seedlings; Over 100 cords of wood were cut by townspeople last winter on the Lewis lot on Depot Road; Tom Neff, Consulting Forester, marked and supervised a selective cutting of saw logs on the Marshall lot, yielding some 35,500 board/feet.

The Commission sponsored the attendance of Derrick Moyer and Joseph Woodbury at a week-long Youth Conservation Camp; Boy Scout Troop 33 completed a pruning and bush cutting project at Ordway Park to raise funds for their trip to the National Jamboree in Virginia; We supported the Rockingham 4-H Forestry Team at the National 4-H Forestry Invitational in West Virginia where they won 3rd place; Stephen Lake, for an Eagle Scout project, supervised and planted 200 Christmas tree seedlings at Ordway Park for the Fire Dept.; Rick Sharp, a senior at U.N.H., has completed winter and summer wildlife studies on Commission land. This information will be used in our plans for forest and game management and the establishment of a trail system.

Conservation Commission members reviewed six dredge and fill applications with on-site inspections and contributed to the Conservation chapter of the Master Plan. Workshops attended by some members during the year included: "Prime Wetland Hearings", "U.S. Wetland National Inventory Map Updates", "Hydrology Briefing", and "Gypsy Moths".

Respectfully submitted,  
V.W. Dingman, III,  
Chairman  
Denis Currier,  
Vice-Chairman  
Karin Truckenbrodt,  
Secretary  
Paul Carideo  
Kathe Cussen  
Glendon Emerson  
Janet Thiboutot

**WINNERS AT THE FISHING DERBY** sponsored by Conservation Commission and Civic Club at Shop Pond, Route 121, Hampstead, were: from left, Becky Klementovich, 11; David Murphy, 9; Laurie Huston, 9; Ben Delisle, 7; Raymond Deverick, 9; and Carla Greenough. Back left, Will Krause, 14; Kevin Torre, 14; Scott Kenny, 15; and Michele Consentino, 11.

# SCHOOL WARRANT

To the inhabitants of the School District of the Town of Hampstead, qualified to vote in District affairs:

You are hereby notified to meet at the Hampstead Middle School in Hampstead, New Hampshire on the eighth day of March, 1982 at 7:30 o'clock in the afternoon to act upon the following articles:

1. To see if the District will accept reports of agents, auditors and committees.
2. To see if the District will vote to authorize the School Board to apply for, accept and expend, without further action by the School District Meeting, money from the state, federal or other governmental unit or a private source which becomes available during the 1982-83 school fiscal year provided that such expenditure be made for purposes for which a School District may appropriate money and that such expenditure not require the expenditure of other School District funds.
3. To see what sum of money the District will vote to raise and appropriate for the payment of salaries of School District officials and agents and for payment of the statutory obligations of the District.
4. To see if the District will raise and appropriate Twenty-Six Thousand Dollars (\$26,000) for energy conservation projects at the Hampstead Central School and at the Hampstead Middle School.
5. To see if the District will raise and appropriate One Thousand Eight Hundred Dollars (\$1,800) for the purpose of expanding parking areas at the Hampstead Middle School.
6. To see if the District will raise and appropriate Three Thousand Six Hundred Dollars (\$3,600) to install water conditioners in the Hampstead Central School and at the Hampstead Middle School.
7. To see if the District will raise and appropriate Three Thousand One Hundred Dollars (\$3,100) for hot-top repair work at the Hampstead Central School.
8. To see if the District will authorize the School Board to petition the Commissioner of Education to waive the requirement of operating a school lunch program if and when, in the judgement of the School Board, such discontinuance would be in the School District's best interest.
9. To see if the District wants to direct the School Board to publish the names and individual salaries of all School District Employees in the annual school district report.
10. To see if the District wishes to take any other action which may legally come before the meeting.

## HAMPSTEAD SCHOOL BOARD

# **Report of the Principal**

**ROBERT P. LITTLE**

The autumn of 1981 has seen a succession of evaluations of the School District by personnel from the New Hampshire State Department of Education.

The Central School was evaluated by the State Department of Education in 1974. The School's rating, although acceptable, left room for improvement. I am pleased to report that the Central School's rating is now very high. Mr. John Economopoulos, Division of Instruction, State Department of Education, was on both visitations. He said that the Town is to be commended for the improvements that have been made since 1974.

The Middle School was evaluated by Mr. Howard Kimball, Division of Instruction. Mr. Kimball's recommendation that the Middle School have the highest available rating was approved by the State Board of Education.

Mr. John Gray, also of the Division of Instruction, evaluated our Title I math program. Our program designed to improve basic math skills for students who are educationally disadvantaged was approved. However, due to program eligibility changes, we probably will not be able to offer the same program next spring.

The Central school has received a lot of attention this past year in the area of energy conservation. The building is now fully insulated; new energy efficient windows have been installed in the front of the building; and the heating system in the oldest part of the building has been completely renovated.

In the area of curriculum evaluation, an analysis of the results of the IOWA Test of Basic Skills shows a steady improvement in test results at all grade levels (3-8) in all subject areas tested since the opening of the Middle School in 1978.

Also, we have concluded the first series of accountability tests at grades four and eight. Basic math, reading, writing, and social studies skills (New Hampshire and United States History and Government) were tested. An analysis of test data reveals no significant defects. A committee has been appointed by the School Board to develop a management plan to make recommendations for curriculum improvement. We hope to make the "good" better.

The staff at both schools is determined to offer our students a good basic skills program in all academic areas. The Open Court Reading Program has been expanded to grade two this year. Writing skills are being stressed at all grade levels. Several staff members have taken courses in writing and are practicing what they have learned in the classroom. We will have our second annual Young Author's Conference again this spring. At the Middle School in particular, we are attempting to make our science program an active, "hands-on" type of experience.

Last spring, the Unified Arts team sponsored a unit entitled "International Cultures-Games". It will be back this year due to popular demand.

In conclusion, it is with pride and a sense of accomplishment, that we look forward to the graduation of the first class to complete a full four-year cycle at the Middle School. They have accomplished a lot and are fine representatives of all Hampstead students.

# Report of School District Treasurer

## for the Fiscal Year July 1, 1980 to June 30, 1981

### SUMMARY

Cash on Hand July 1, 1980		\$ 48,624.36

**FINANCIAL REPORT  
of the HAMPSTEAD SCHOOL DISTRICT**

**Fiscal Year Beginning July 1, 1980 and Ending June 30, 1981**

**CERTIFICATE**

This is to certify that the information contained in this report was taken from official records and is complete and correct to the best of our knowledge and belief. The accounts are kept in accordance with Section 24 of Chapter 71 of the Revised Statutes Annotated, and upon forms prescribed by the Department of Revenue Administration.

ROBERT J. CROMPTON  
Superintendent of Schools  
July 31, 1981

Mr. Maurice Randall, Jr.  
Mr. Dale McLean  
Mrs. Virginia E. Clark  
Mrs. Henri Eastman  
Mrs. Nancy West

## Auditor's Opinion

We have examined the combined financial statements and the combining, individual fund and account group financial statements of the Hampstead School District as of and for the fiscal year ended June 30, 1981, as listed in the foregoing table of contents. Our examination was made in accordance with generally accepted auditing standards and accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

As described in Note 1B, the combined financial statements referred to above do not include financial statements of the General Fixed Asset group of accounts, which should be included to conform with generally accepted accounting principles.

In our opinion, except that omission of the General Fixed Asset group of accounts results in an incomplete presentation as explained in the above paragraph, the combined financial statements and the combining, individual fund and account group financial statements referred to above present fairly the financial position of the Hampstead School District at June 30, 1981, and the results of its operations for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

Our examination was made for the purpose of forming an opinion on the combined financial statements taken as a whole and on the combining, individual fund and account group financial statements. The accompanying financial information listed as supplemental schedules in the table of contents is presented for purposes of additional analysis and is not a required part of the combined financial statements of the Hampstead School District. The information has been subjected to the auditing procedures applied in the examination of the combined, combining, individual fund and account group financial statements and, in our opinion, is fairly stated in all material respects in relation to the combined financial statements taken as a whole.

September 17, 1981
